YOUR NEW COMMUNITY INCLUDES:

- Welcoming common areas
- Trained staff on site 24hrs a day
- Emergency call light system
- 3 delicious meals and snacks daily
- Enriching daily activity program
- Social services and emotional support
- Housekeeping and laundry services
- Support and assistance with tasks such as: mental health and addiction support, dressing, bathing, grooming, medication, and transportation

Our carefully selected staff are available to support each resident with the activities of daily living such as dressing, bathing and management of medication according to their plan of care.

Each resident is encouraged to select their own agenda and activities, while feeling secure in knowing that our staff are there when needed. Each resident and the interdisciplinary care team develop a plan of care that aligns the care with the desired outcomes.

Sapphire at Ridgeview offers assisted living built around each individual's life history, heritage, current abilities and interests this - is our "person-centered" approach to care!
